Partner in EHRI: The Jewish Museum of Greece

16/10/2017

The [Jewish Museum of Greece](#) (JMG) was founded in 1977 with a mission to collect, study, preserve and exhibit the artifacts that reflect the life, customs, history and traditions of the Greek Jews. The Museum’s unique collection includes more than 10,000 rare artifacts of great historical

significance, and is continuously enriched and updated. The Museum building houses its rich collection and visitor services organized in permanent exhibition areas with thematic modular exhibits, an art gallery, a periodic exhibition space, a research library, a space for educational programmes, a photo archive and

laboratory and a preventive conservation laboratory.

EHRI Seminar: "Polish" Sources for Holocaust Research - Challenges and Methodological Problems

16/10/2017

Organizer: *Polish Center for Holocaust Research of the Institute of Philosophy and Sociology of the Polish Academy of Sciences*

Warsaw, 24-29 September 2017

For six days, fifteen researchers from eight countries (Austria, Canada, France, Germany, Italy, Israel, United Kingdom, USA and Poland) had an opportunity to discover and discuss materials from Polish archives which can be useful for scholars interested in the topic of the fate of Jews during the Second World War. The main goal of the seminar was to bring together researchers interested in working with "Polish" sources for Holocaust research, from widely known documents, diaries and testimonies to recently opened archives like post-war investigation files.
